

Solace Certified Solutions Consultant (SCSC) Exam Guide

This guide provides details of the exam, recommended knowledge, and exam preparation.

Version: SCSC-R1-2020

Overview

The **Solace Certified Solutions Consultant (SCSC)** exam is intended for individuals who have foundational & technical knowledge on the Solace PubSub+ Platform.

It validates a candidate's ability to:

- Understand the event-driven journey and event driven architecture
- Demonstrate their understanding of PubSub+ Platform product suite
- Understand the basic concepts and features of PubSub+ Event Brokers and PubSub+ Event Portal
- Understand the basic concepts of key PubSub+ features, like high-availability, dynamic message routing (DMR), and message replay.

Exam Details

Exam Duration

You will have **90 minutes** to complete the exam.

Exam Content

The exam has **40 questions** of the following types:

- Multiple-choice: Has one correct response and one or more incorrect responses
- Multiple-response: Has two or more correct responses

You are required to attempt all questions and there is no penalty for guessing.

All questions are based on the courses provided under the Exam Preparation section below in this guide.

Results

In order to pass the exam, you must achieve a score of at least **70%** on the whole exam. Results of the exam are delivered immediately upon submission, along with a certificate of achievement.
